Kontraste – Die Lange Nacht des Tanzes

Zagreb Dance Company & Matija Ferlin

STAGING A PLAY: TARTUFFE BY MATIJA FERLIN

SAAL

Matija Ferlin has chosen Tartuffe, one of Molière's „classical“ comedies, and translated it from textual into choreographic realm. He replaced verbal exchanges with a physical vocabulary, and used the dramatic text as a complex choreographic score. The characters have thus ceased to be their „words and language“, and become their „bodies and movements“.

Supported by: Zagreb City Office for Culture,
Ministry of Culture RH

Direktion, Choreografie – Matija Ferlin
Performance, Choreografie - Petra Chelfi,
Andreja Jandrić, Domagoj Janković,
Darko Japelj, Sintija Kučić, Marin Lemić,

WHAT WE HOLD INSIDE

21:30 Uhr

A piece about what is inherent to the body: movements, states, emotions, life stories. What shapes us? Oscillating between movement and voice, the performer develops a poetic cosmos of associations, layer by layer, revealing these stories to the audience.

Performance: Eva-Maria Schaller
Sound Designer: Manuel Rieger

Für die Veranstaltung im tanz_house Studio um 21:30 Uhr wird ein extra Ticket benötigt - Begrenzte Zuschauerzahl - AK €5/VVK €3

Dunya Narli & Akira Yoshida

THE INGLORIOUS FORTUNE OF BEING A PERFORMER

This duet represents daily life. As daily as a creative artist can be or how to be daily when you forget the day of today. A trip through body language and gestures. Transforming dialogues between actions and spoken words. We want to reach out to ourselves as much as to the audience.

Choreography & Concept : Dunya Narli and Akira Yoshida Dancers:
Music : Chet Baker – Almost Blue, Jozef van Wissem & Jim Jarmush –

WE ARE NOT DONE YET

We're not done yet.
We've still got a bit to go.
Not as much as has already gone
There's less to go than there has been.
But it's not over yet,
We're not finished yet.

A short monologue addressing our impending extinction: as individuals, as a culture, and as a species - which will then transition seamlessly into the closing party.

FIVE HUNDRED THOUSAND YEARS OF MOVEMENT AK €14/VVK €12

15.04.2019 tanz_house Studio – 20:30 Uhr

Five hundred thousand years of movement is a practice of change; is a constant search of the next form; is an attempt at becoming the person one was always meant to be; is practicing anthropomorphism; is a dance set against the backdrop of eternity.

The person I am now is as transient, as fleeting and as temporary as all the people, I have ever been and as all previous and future life forms.
